

# How to join meetings in Sky?

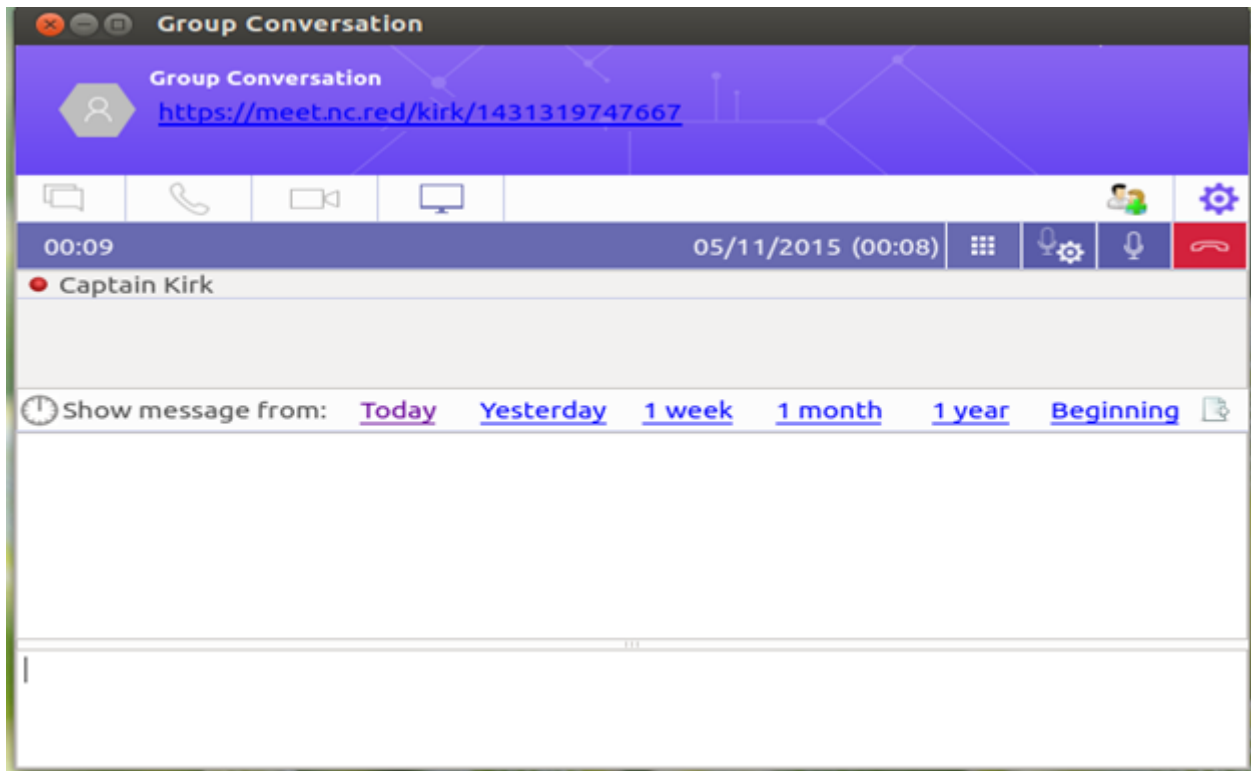

## I. Meet now

1. Sign-in to Sky
2. In the contact window => Choose Options

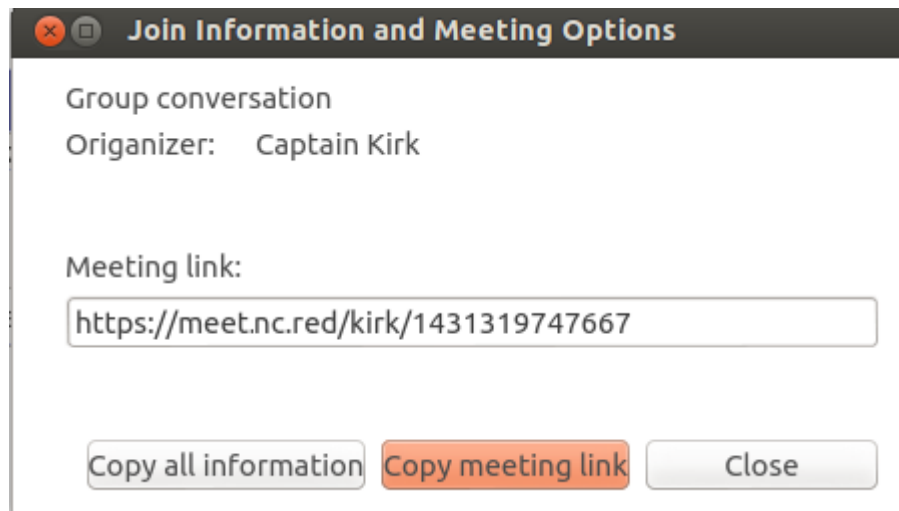

3. Choose "Meet now"

Then Sky shows a Group Conversation like this:

4. Click the link -> Shows a dialog box:

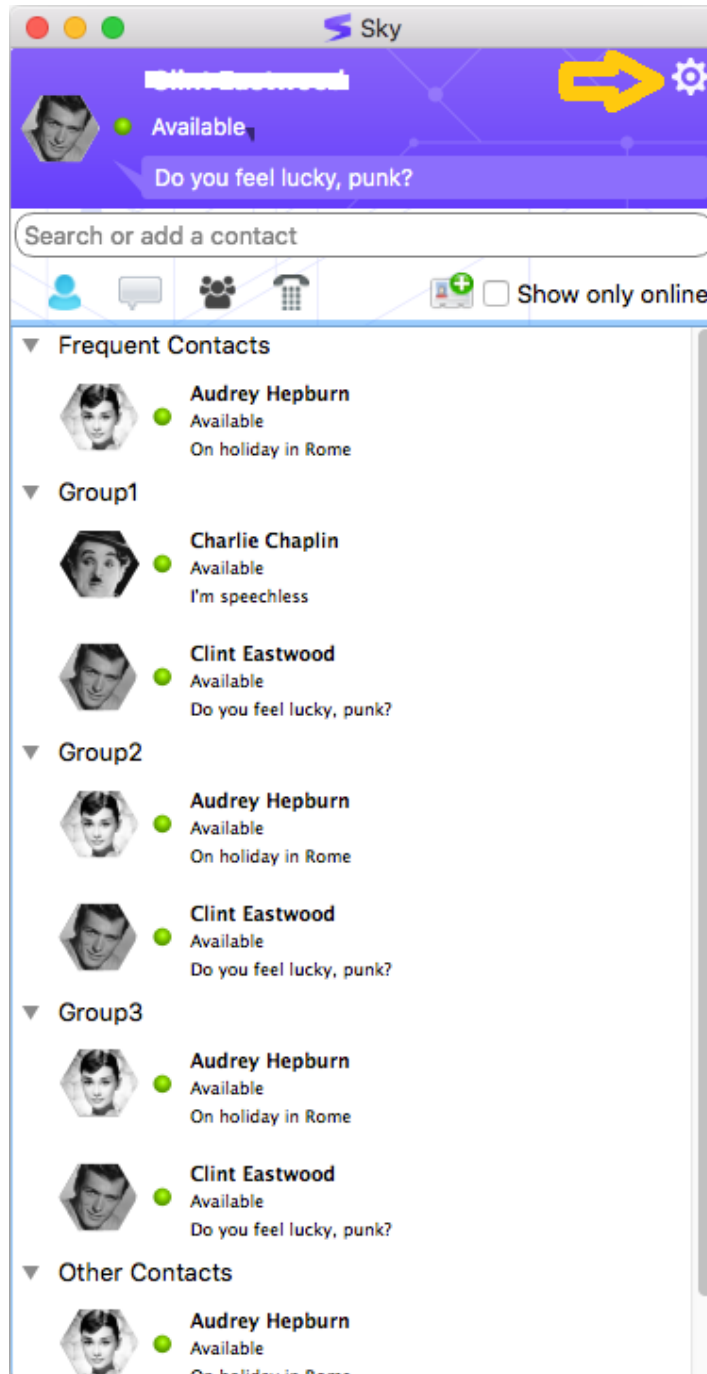

5. Click "Copy all information" or "Copy meeting link" ->  
Sends meeting link to people you want in meeting.

or you can:

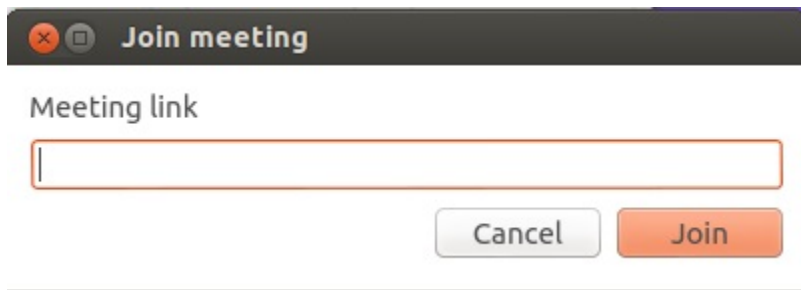

## II. Join meeting

***You have a meeting link and you want to participate in this meeting?***

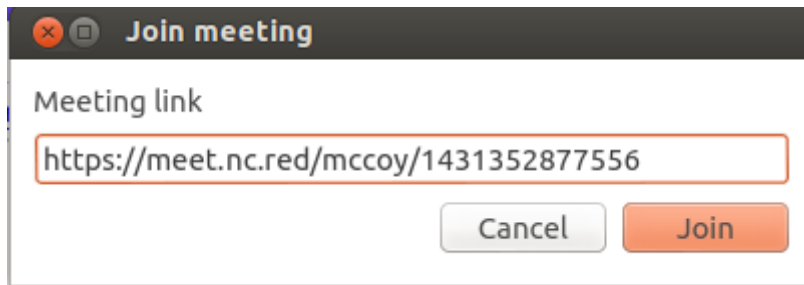

1. Sign-in to Sky
2. In the contact window => Choose Options

3. Chose "Join meeting" -> Displays a box:

4. Paste meeting link in this box

5. Click "Join" -> Success ☺
